PROJECTS

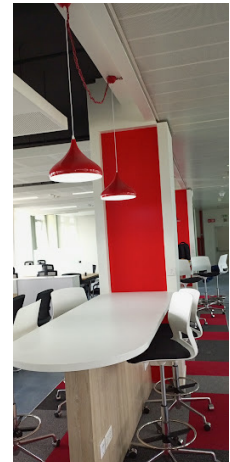

CLIENT: RUBIS - HEADQUARTERS

Rubis is a major player in the fuels distribution business in Rwanda. In 2019, the company acquired the assets owned and operated by Kobil. With over 40 service-stations, the Rubis card payment system, K-Lube brand in motor, industrial, speciality lubricants and greases, and K-Gas for cooking, Rubis is now a strong player in the fuels distribution business in Rwanda.

In line with this, Pong agencies were commissioned to deliver the following works in their headquarters offices at KBC Modern Complex. *IT Networking, Polycom Video Conference System, Access Control for staff using cards. Electrical installations including lighting and power outlets (both UPS and Main)*

Budget: 30 Million Francs

Completed: 2022

CLIENT: STBF

THE SUSAN THOMPSON BUFFETT FOUNDATION (STBF) is a private grant-making Foundation with a U.S. home office in Omaha, Nebraska, and a global office in Kigali, Rwanda. They are located in Ecobank HQ Building in the town center of Kigali. The work delegated to Pong agencies included: *Electrical installations including lighting and power outlets (both UPS and Main), Networking with a state-of-the-art wireless access point with video intercom. Installation of Philips Air Purifiers, Video Conferencing System.*

Budget: 30 Million Francs

Completed: 2022

CLIENT: MPAZI LOW COST HOUSING

Mpazi Relhousing project is a project implemented by the City of Kigali in one of the suburbs (Kimisagara) to improve living conditions in unplanned settlement through 'rehousing' thereby transforming the area into a more habitable place. The project is implemented in partnership with Skat Consulting Rwanda through the PROECCO project supported by the Swiss Agency for Development and Cooperation and UN-Habitat.

Pong Agencies were involved in phase one through to three providing; *Electrical installations for 3 blocks with 27 units each.*

Budget: 70 Million Francs

Completed: 2022

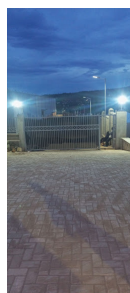

CLIENT: MDP WAREHOUSE

This is a new warehouse that provides document storage. The clients they work with include banks and the major telecommunication agencies in Rwanda. It has more than 2000 sq.m of space with an external office block and cafeteria.

The work provided by Pong agencies was; *Installation of an intergrated smart fire alarm system with beam detectors, smoke detectors and automatic fire fighting. The equipment included a 30 kVa fire pump with 7 hose reels. We also provided access control with biometric and card options. External Solar lighting. Backup generator rated 30kVa. Intruder system with door contact sensors and motion detectors.*

Budget: 130 Million Francs

Completed: 2023

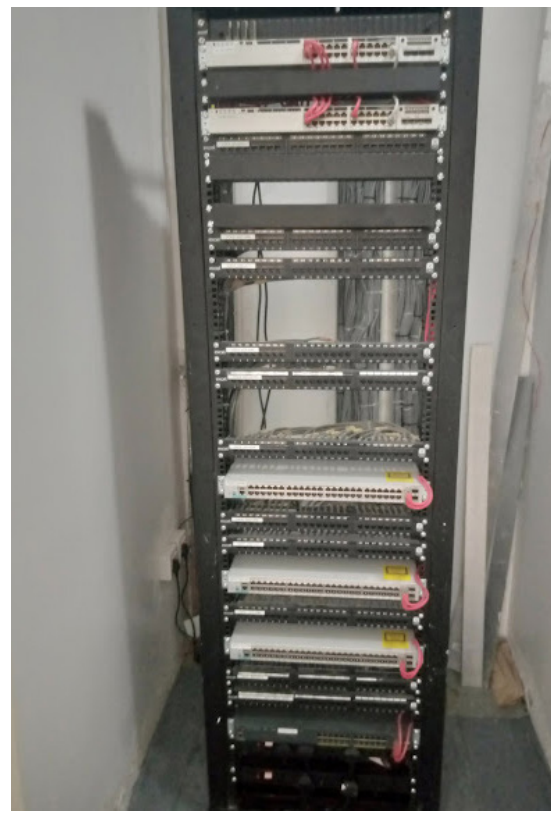

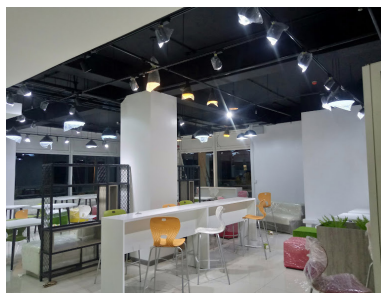

CLIENT: TEK EXPERTS

Tek Experts is a leading global provider of technical talent solutions and a trusted partner to some of the world's largest, most-respected organizations. Pong agencies provided the following services for them; *electrical installations (both normal and UPS). We provided six floors with a network exceeding 400 points in each phase.*

Budget: 150 Million Francs

Completed: 2022 Phase 1, 2023 Phase 2

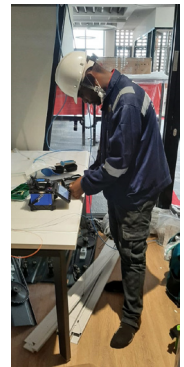

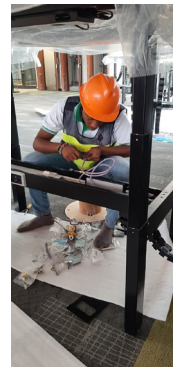

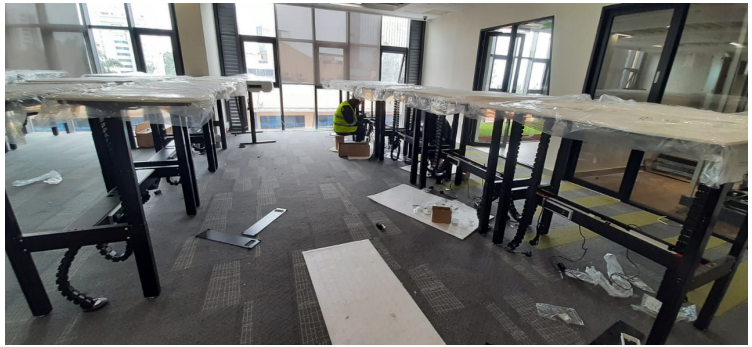

CLIENT: I & M - HEADQUARTERS

Computer networking and setting up of more than 1,000 points over six floors. We engaged the use of the latest technology using Siemens Brand.

Budget: 200 Million

Completed: 2020

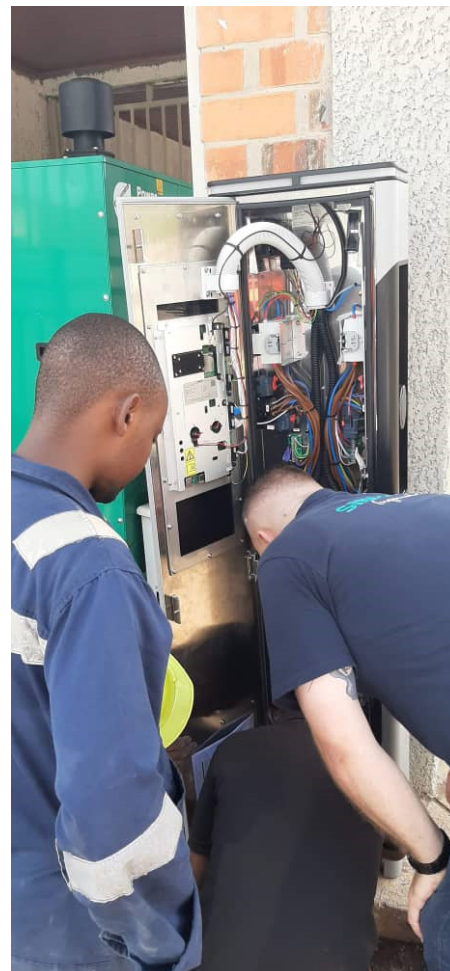

CLIENT: VOLKSWAGEN (CFAO) RWANDA
